**The Flip Side is
the Best Side!**

When La Salsa opened the doors of its first taqueria way back in 1979, we quickly gained a reputation throughout Los Angeles for using fresh ingredients and serving up delicious soft tacos, giant burritos and a fresh and unique salsa bar to all the local folks. As word spread, La Salsa found more and more fans, opening more and more of our quick-service Mexican restaurants, and soon – the Fresh Mexican movement was born!
